

Two-Year-Old Curriculum

The two-year-old curriculum emphasizes fun while learning with age appropriate activities and “hands-on” discovery that includes the use of learning centers, thematic units, introduction to literacy and promotion of self-help skills.

Examples of thematic units presented throughout the year include: Bugs, Farm Animals, My Family and Winter.

Skill Areas Developed:

Pre-literacy skills

Introduction to school-age concepts (shapes, numbers, letters, sounds)

Large Motor

Fine Motor

Music, art and weekly chapel are included in the learning process.
